ourd Pappu (Toor Dal with Bottle Gourd) Recipe

Ingredients:

1/2 cup toor dal (split pigeon peas)
1 small bottle gourd (lauki), peeled and diced
1 medium onion, finely chopped
1 medium tomato, chopped
2 green chilies, slit lengthwise
1/2 teaspoon turmeric powder
1 teaspoon cumin seeds
1 teaspoon mustard seeds
1 sprig curry leaves
2-3 garlic cloves, minced
1/2 teaspoon ginger, grated
1 tablespoon oil
Salt to taste
Fresh coriander leaves for garnish

Instructions:

Preparation:

Wash the toor dal thoroughly and soak it in water for about 30 minutes.
Peel and dice the bottle gourd into small pieces.

Cooking the Dal:

In a pressure cooker, add the soaked toor dal, diced bottle gourd, chopped tomatoes, green chilies, and turmeric powder.
Add enough water to cover the ingredients (about 2 cups).
Close the lid and pressure cook for 3-4 whistles or until the dal and gourd are soft and cooked.

Tempering:

In a separate pan, heat the oil over medium heat.
Add mustard seeds and let them splutter.
Add cumin seeds and let them crackle.
Add the minced garlic, grated ginger, and curry leaves. Sauté for a minute until fragrant.
Add the chopped onions and sauté until they turn golden brown.

Combining:

Once the pressure has released from the cooker, open the lid and mash the dal and gourd mixture slightly with the back of a spoon.
Add the tempered spices and onions to the dal mixture.
Add salt to taste and mix well. Simmer for a few more minutes to allow the flavors to blend.

Finishing Touches:

Garnish with fresh coriander leaves.
Serve hot with brown rice or jowar roti.
